

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 844.713.1097. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call 1-866-487-2365 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	Network Providers: \$1,000 per Plan Participant Non-Network Providers: \$2,000 per Plan Participant \$2,000 per Family Unit \$4,000 per Family Unit Each JULY* a new <u>deductible</u> amount is required.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> , and <u>prescription drug coverage</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and <u>services</u> even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific <u>services</u> .
What is the out-of-pocket limit for this plan?	Network Providers: \$4,500 per Plan Participant Non-Network Providers: \$5,000 per Plan Participant \$9,000 per Family Unit \$10,000 per Family Unit	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered <u>services</u> . If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance-billing</u> charges (unless <u>balance-billing</u> is prohibited), and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.imagine360.com or call 844.713.1097 for a list of <u>network providers</u> .	This <u>plan</u> uses a provider network. You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some <u>services</u> (such as lab work). Check with your <u>provider</u> before you get <u>services</u> .
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

Focus on the cost-sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan.
